Subject: Thank You So Much from the Red Cross

Dr. Kirmani,

Great to see you yesterday and thanks so much for taking some time to stop by and drop off the very generous donation from APPNA of Arizona. Our team here in Phoenix wanted to also thank you again for such an amazing generous gift from the APPNA team and please express our thanks to all of them. I also really appreciated you sharing your story with my team here.

On behalf of the entire American Red Cross and specifically the AZ-NM-EI Paso region I cannot express enough our sincere appreciation for your amazing donation and support of the people impacted during the very challenging Hurricane storms. This is an amazing gesture of neighbors helping neighbors and allows us to continue the mission and hard work here at the Red Cross to support our communities. Look forward to seeing you again soon. Thank you so very much.

Don Speck
